MOVING PICTURE LAW.

(Chapter 308, Session Laws of 1917.)

AN ACT relating to motion picture films, or reels; providing a system of examination, approval, and regulation thereof, and of the banners, posters and other like advertising matter used in connection therewith; creating a board of review, providing penalties for the violation of this act, and repealing sections 10774, 10775, 10776, 10777, 10778, 10779, 10780 and 10781 of the General Statutes of 1915, and making appropriation therefor.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. That the word "film" used in this act means what is usually known as a motion picture film. The word "reel" as used in this act means one thousand feet of film, or fraction thereof. The word "person" when used in this act also means an association, copartnership, or a corporation.

SEC. 2. It shall be unlawful for any person to sell, lease, lend, exhibit or use any motion picture film, or reel, in Kansas unless the said film, or reel, has been submitted by the exchange owner or lessee of the film, or reel, and duly approved by the Kansas Board of Review, hereinafter in this act called the board.

SEC. 3. The board shall consist of three resident citizens of Kansas, well qualified by education and experience to act as censors under this act. They shall be appointed by the governor, one member of the board shall be appointed for one year, one for two years and one for three years. Each year thereafter one member shall be appointed for a full term of three years. The governor, at his pleasure, may remove a member of said board for incompetency or neglect of duty.

SEC. 4. A vacancy in the membership of the board shall be filled by the governor for the unexpired term. A vacancy shall not impair the right and duty of the remaining members to perform all the functions of the board.

SEC. 5. The board shall procure and use an official seal, which shall contain the words "Kansas State Board of Review," together with such design engraved thereon as the board may prescribe.

SEC. 6. The board shall examine films, reels, folders, posters and advertising matter used in connection therewith to be exhibited or used in Kansas; and shall approve such films, reels, folders, posters and advertising matter which are moral and proper; and shall disapprove such as are cruel, obscene, indecent or immoral, or such as tend to debase or corrupt morals.

SEC. 7. Upon each film, or reel, which is approved by the board, there shall be furnished and stamped by the board the following certificate, or statement, "Approved by the Kansas State Board of Review," and the board shall also furnish a certificate to the same effect for all folders, advertising matter and posters approved by them, and no other approval stamp shall be permitted. In the case of films, such certificate or statement shall be shown on the screen, to the extent of approximately five feet of film.

SEC. 8. The board shall keep a record of all examinations made by it of films, or reels, noting on the record such as have been approved, and those that have not been approved with the reason for such disapproval, and the board shall classify films for special programs.

SEC. 9. The board shall report to the governor in writing such information as he may request concerning its work.

SEC. 10. The governor shall designate one of said board as chairman, and such person shall be administrative head of the board, shall receive and

be responsible for all moneys paid to the board, shall give bond to the state of Kansas in the sum of \$3,000.00 with security to be approved by the governor, conditioned for the faithful performance of the duties. Each member of the board shall take and subscribe an oath to perform the duties thereof. The chairman of the board shall receive an annual salary of \$1,800.00 and the other members \$1,500.00 each, together with such necessary traveling expenses incurred in carrying out the provisions of this act. Salaries shall be paid monthly on vouchers.

SEC. 11. The board shall appoint, with the approval of the governor, such operators, clerks, inspectors and other employees as may be necessary, and fix the compensation thereof, such employees to hold office during the pleasure of the board.

SEC. 12. The Executive Council shall provide adequate offices in the city of Kansas City, Kansas, also proper equipment, furniture and supplies for the work of the board, said offices to be furnished free of charge by the city of Kansas City, Kansas.

SEC. 13. For the examination of each film the board shall receive, in advance, a fee of not to exceed two dollars for each reel approved or censored, whether original or copies. All fees so received by the board shall be paid monthly into the state treasury, and are hereby appropriated for the payment of the salaries and expenses of the board and their assistants. The board shall have authority to reduce, from time to time, the examination fee below the maximum aforesaid, if and when the fees collected shall be more than sufficient to pay all of the salaries, charges and expenses connected with the carrying out of the provisions of this act.

SEC. 14. The board may make and adopt such reasonable rules and regulations as it may deem necessary, not inconsistent with the laws of the state, for enforcing the provisions of this act.

SEC. 15. The office of the board provided for in this act shall be in Kansas City, Kansas, and any person, company or corporation aggrieved by the action thereof, may have redress in the district court of Wyandotte county in this state, in which service may be had upon the board or any member thereof by commencing proceedings therein within sixty days from the action of the board complained of by such person, company or corporation; provided, however, that the beginning or pending of any such proceedings shall not abate or suspend the action of the board until the final disposition of such proceedings by the court.

SEC. 16. Any member of the board, or inspector thereof, may enter any place where films, or reels, are exhibited, and such member or inspector is hereby empowered and authorized to prevent the display or exhibition of any film, reel, or of any banner or poster used in connection therewith, which has not been duly approved by the board.

SEC. 17. The board may order a reexamination of any film, or reel, approved by it, upon giving 30 days' written notice to the owner of said film or reel. At such reexamination the board may make such order as would be proper upon the original examination.

SEC. 18. The board may, in its discretion, grant a special permit for the exhibition of a film, or reel, for purely educational, charitable or religious purpose, without fee.

SEC. 19. Any person violating any provision of this act or any rule or regulation of the board, shall be guilty of a misdemeanor, and on conviction

thereof, shall be punished by a fine not exceeding \$25.00 for the first offense, and not less than \$100.00 nor more than \$500.00 for each succeeding offense, or by imprisonment for thirty days in the county jail. Each day an uncensored film, or reel, is exhibited shall be deemed a separate offense.

SEC. 20. Any person exhibiting in public any misbranded film, or any film carrying the official approval of the board, which approval was not put there by action of the board, or any prohibited by the ordinances of any city, or any person who shall exhibit any folders, posters, pictures or other advertising matter which has not been approved by said board, or which is indecent, profane or scandalous, or which tends to unduly excite or deceive the public, or containing any matter not therein contained when the approval was granted by the board shall, upon conviction, be deemed guilty of a misdemeanor, and punished by a fine of not more than \$50.00 or by imprisonment in the county jail for not over 30 days, and the said misbranded film may be seized and confiscated.

SEC. 21. That all money now in the state treasury in the fund known and designated as the moving picture censor fees are hereby appropriated for the uses and purposes of carrying out the provisions of this act; and that any unexpended balances of said fees remaining in said fund at the close of the fiscal year ending June 30, 1917, are reappropriated for the fiscal year 1918; and any unexpended balance remaining at the close of the fiscal year 1918 is hereby reappropriated for the fiscal year ending June 30, 1919.

SEC. 22. Sections 10774, 10775, 10776, 10777, 10778, 10779, 10780 and 10781 of the General Statutes of 1915 are hereby repealed.

SEC. 23. This act shall take effect and be in force from and after its publication in the official state paper.

Approved March 9, 1917.

Published in official state paper March 31, 1917.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the board have not been made, and films not carrying the official approval of the board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in the "Better Film Movement" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing lists of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review.

NOTICE.

* A star before the title indicates pictures which are suitable for the family night programs.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the board have not been made and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "Better Films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

NOTICE.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the board have not been made and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "Better Films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's mat-

nees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

THE KANSAS STATE BOARD OF REVIEW.

MOVING PICTURE LAW.

(Chapter 308, Session Laws of 1917.)

AN ACT relating to motion picture films, or reels; providing a system of examination, approval, and regulation thereof, and of the banners, posters and other like advertising matter used in connection therewith; creating a board of review, providing penalties for the violation of this act, and repealing sections 10774, 10775, 10776, 10777, 10778, 10779, 10780 and 10781 of the General Statutes of 1915, and making appropriation therefor.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. That the word "film" used in this act means what is usually known as a motion picture film. The word "reel" as used in this act means one thousand feet of film, or fraction thereof. The word "person" when used in this act also means an association, copartnership, or corporation.

SEC. 2. It shall be unlawful for any person to sell, lease, lend, exhibit or use any motion picture film, or reel, in Kansas unless the said film, or reel, has been submitted by the exchange owner or lessee of the film, or reel, and duly approved by the Kansas Board of Review, hereinafter in this act called the board.

SEC. 3. The board shall consist of three resident citizens of Kansas, well qualified by education and experience to act as censors under this act. They shall be appointed by the governor, one member of the board shall be appointed for one year, one for two years and one for three years. Each year thereafter one member shall be appointed for a full term of three years. The governor, at his pleasure, may remove a member of said board for incompetency or neglect of duty.

SEC. 4. A vacancy in the membership of the board shall be filled by the governor for the unexpired term. A vacancy shall not impair the right and duty of the remaining members to perform all the functions of the board.

SEC. 5. The board shall procure and use an official seal, which shall contain the words "Kansas State Board of Review," together with such design engraved thereon as the board may prescribe.

SEC. 6. The board shall examine films, reels, folders, posters and advertising matter used in connection therewith to be exhibited or used in Kansas; and shall approve such films, reels, folders, posters and advertising matter which are moral and proper; and shall disapprove such as are cruel, obscene, indecent or immoral, or such as tend to debase or corrupt morals.

SEC. 7. Upon each film or reel, which is approved by the board, there shall be furnished and stamped by the board the following certificate, or statement, "Approved by the Kansas State Board of Review," and the board shall also furnish a certificate to the same effect for all folders, advertising matter and posters approved by them, and no other approval stamp shall be permitted. In the case of films, such certificate or statement shall be shown on the screen, to the extent of approximately five feet of film.

SEC. 8. The board shall keep a record of all examinations made by it of films, or reels, noting on the record such as have been approved, and those that have not been approved with the reason for such disapproval, and the board shall classify films for special programs.

SEC. 9. The board shall report to the governor in writing such information as he may request concerning its work.

SEC. 10. The governor shall designate one of said board as chairman, and such person shall be administrative head of the board, shall receive and be responsible for all moneys paid to the board, shall give bond to the state of Kansas in the sum of \$3,000.00 with security to be approved by the governor, conditioned for the faithful performance of the duties. Each member of the board shall take and subscribe an oath to perform the duties thereof. The chairman of the board shall receive an annual salary of \$1,800.00 and the other members \$1,500.00 each, together with such necessary traveling expenses incurred in carrying out the provisions of this act. Salaries shall be paid monthly on vouchers.

SEC. 11. The board shall appoint, with the approval of the governor, such operators, clerks, inspectors and other employees as may be necessary, and fix the compensation thereof, such employees to hold office during the pleasure of the board.

SEC. 12. The Executive Council shall provide adequate offices in the city of Kansas City, Kansas, also proper equipment, furniture and supplies for the work of the board, said offices to be furnished free of charge by the city of Kansas City, Kansas.

SEC. 13. For the examination of each film the board shall receive, in advance, a fee of not to exceed two dollars for each reel approved or censored, whether original or copies. All fees so received by the board shall be paid monthly into the state treasury, and are hereby appropriated for the payment of the salaries and expenses of the board and their assistants. The board shall have authority to reduce, from time to time, the examination fee below the maximum aforesaid, if and when the fees collected shall be more than sufficient to pay all of the salaries, charges and expenses connected with the carrying out of the provisions of this act.

SEC. 14. The board may make and adopt such reasonable rules and regulations as it may deem necessary, not inconsistent with the laws of the state, for enforcing the provisions of this act.

SEC. 15. The office of the board provided for in this act shall be in Kansas City, Kansas, and any person, company or corporation aggrieved by the action thereof, may have redress in the district court of Wyandotte county in this state, in which service may be had upon the board or any member thereof by commencing proceedings therein within sixty days from the action of the board complained of by such person, company or corporation; provided, however, that the beginning or pending of any such proceedings shall not abate or suspend the action of the board until the final disposition of such proceedings by the court.

SEC. 16. Any member of the board, or inspector thereof, may enter any place where films, or reels, are exhibited, and such member or inspector is hereby empowered and authorized to prevent the display or exhibition of

any film, reel, or of any banner or poster used in connection therewith, which has not been duly approved by the board.

SEC. 17. The board may order a reëxamination of any film, or reel, approved by it, upon giving 30 days' written notice to the owner of said film or reel. At such reëxamination the board may make such order as would be proper upon the original examination.

SEC. 18. The board may, in its discretion, grant a special permit for the exhibition of a film, or reel, for purely educational, charitable or religious purpose, without fee.

SEC. 19. Any person violating any provision of this act or any rule or regulation of the board, shall be guilty of a misdemeanor, and on conviction thereof, shall be punished by a fine not exceeding \$25.00 for the first offense, and not less than \$100.00 nor more than \$500.00 for each succeeding offense, or by imprisonment for thirty days in the county jail. Each day an uncensored film, or reel, is exhibited shall be deemed a separate offense.

SEC. 20. Any person exhibiting in public any misbranded film, or any film carrying the official approval of the board, which approval was not put there by action of the board, or any prohibited by the ordinances of any city, or any person who shall exhibit any folders, posters, pictures or other advertising matter which has not been approved by said board or which is indecent, profane or scandalous, or which tends to unduly excite or deceive the public, or containing any matter not therein contained when the approval was granted by the board shall, upon conviction, be deemed guilty of a misdemeanor, and punished by a fine of not more than \$50.00 or by imprisonment in the county jail for not over 30 days, and the said misbranded film may be seized and confiscated.

SEC. 21. That all money now in the state treasury in the fund known and designated as the moving picture censor fees are hereby appropriated for the uses and purposes of carrying out the provisions of this act; and that any unexpended balances of said fees remaining in said fund at the close of the fiscal year ending June 30, 1917, are reappropriated for the fiscal year 1918; and any unexpended balance remaining at the close of the fiscal year 1918 is hereby reappropriated for the fiscal year ending June 30, 1919.

NOTICE.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

FILMS APPROVED.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "Better Films" and the work of the State Board of Review who are not receiving the weekly reports, please, notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

NOTICE.

TO WHOM IT MAY CONCERN.

*To the Exhibitors, Colleges and Others who are Exhibiting
Motion Pictures in the State of Kansas:*

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

In this report will be found a list of films rebuilt and revised, and also a list of films that stand rejected. This list covers the entire two years' work from April 1, 1917, to June 30, 1919. Exhibitors when booking pictures that have been rebuilt and revised should take great care to see that they secure the proper copy, and that all pictures bear the approval tag of the Kansas State Board of Review.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "Better Films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

NOTICE.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

HOUSE BILL No. 335.

AN ACT relating to motion picture films, or reels; providing a system of examination, approval, and regulation thereof, and of the banners, posters and other like advertising matter used in connection therewith; creating a board of review, providing penalties for the violation of this act, and repealing sections 10774, 10775, 10776, 10777, 10778, 10779, 10780 and 10781 of the General Statutes of 1915, and making appropriation therefor.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. That the word "film" used in this act means what is usually known as a motion picture film. The word "reel" as used in this act means one thousand feet of film, or fraction thereof. The word "person" when used in this act also means an association, copartnership, or a corporation.

SEC. 2. It shall be unlawful for any person to sell, lease, lend, exhibit or use any motion picture film, or reel, in Kansas unless the said film, or reel, has been submitted by the exchange owner or lessee of the film, or reel, and duly approved by the Kansas Board of Review, hereinafter in this act called the board.

SEC. 3. The board shall consist of three resident citizens of Kansas, well qualified by education and experience to act as censors under this act. They shall be appointed by the governor, one member of the board shall be appointed for one year, one for two years and one for three years. Each year thereafter one member shall be appointed for a full term of three years. The governor, at his pleasure, may remove a member of said board for incompetency or neglect of duty.

SEC. 4. A vacancy in the membership of the board shall be filled by the governor for the unexpired term. A vacancy shall not impair the right and duty of the remaining members to perform all the functions of the board.

SEC. 5. The board shall procure and use an official seal, which shall contain the words "Kansas State Board of Review," together with such design engraved thereon as the board may prescribe.

SEC. 6. The board shall examine films, reels, folders, posters and advertising matter used in connection therewith to be exhibited or used in Kansas; and shall approve such films, reels, folders, posters and advertising matter which are moral and proper; and shall disapprove such as are cruel, obscene, indecent or immoral, or such as tend to debase or corrupt morals.

SEC. 7. Upon each film, or reel, which is approved by the board, there shall be furnished and stamped by the board the following certificate, or statement, "Approved by the Kansas State Board of Review," and the board shall also furnish a certificate to the same effect for all folders, ad-

vertising matter and posters approved by them, and no other approval stamp shall be permitted. In the case of films, such certificate or statement shall be shown on the screen, to the extent of approximately five feet of film.

SEC. 8. The board shall keep a record of all examinations made by it of films, or reels, noting on the record such as have been approved, and those that have not been approved with the reason for such disapproval, and the board shall classify films for special programs.

SEC. 9. The board shall report to the governor in writing such information as he may request concerning its work.

SEC. 10. The governor shall designate one of said board as chairman, and such person shall be administrative head of the board, shall receive and be responsible for all moneys paid to the board, shall give bond to the state of Kansas in the sum of \$3,000 with security to be approved by the governor, conditioned for the faithful performance of the duties. Each member of the board shall take and subscribe an oath to perform the duties thereof. The chairman of the board shall receive an annual salary of \$1,800 and the other members \$1,500 each, together with such necessary traveling expenses incurred in carrying out the provisions of this act. Salaries shall be paid monthly on vouchers.

SEC. 11. The board shall appoint, with the approval of the governor, such operators, clerks, inspectors and other employees as may be necessary, and fix the compensation thereof, such employees to hold office during the pleasure of the board.

SEC. 12. The Executive Council shall provide adequate offices in the city of Kansas City, Kansas, also proper equipment, furniture and supplies for the work of the board, said offices to be furnished free of charge by the city of Kansas City, Kansas.

SEC. 13. For the examination of each film the board shall receive, in advance, a fee of not to exceed two dollars for each reel approved or censored, whether original or copies. All fees so received by the board shall be paid monthly into the state treasury, and are hereby appropriated for the payment of the salaries and expenses of the board and their assistants. The board shall have authority to reduce, from time to time, the examination fee below the maximum aforesaid, if and when the fees collected shall be more than sufficient to pay all of the salaries, charges and expenses connected with the carrying out of the provisions of this act.

SEC. 14. The board may make and adopt such reasonable rules and regulations as it may deem necessary, not inconsistent with the laws of the state, for enforcing the provisions of this act.

SEC. 15. The office of the board provided for in this act shall be in Kansas City, Kansas, and any person, company or corporation aggrieved by the action thereof, may have redress in the district court of Wyandotte county in this state, in which service may be had upon the board or any member thereof by commencing proceedings therein within sixty days from the action of the board complained of by such person, company or corporation; provided, however, that the beginning or pending of any

such proceedings shall not abate or suspend the action of the board until the final disposition of such proceedings by the court.

SEC. 16. Any member of the board, or inspector thereof, may enter any place where films, or reels, are exhibited, and such member or inspector is hereby empowered and authorized to prevent the display or exhibition of any film, reel, or of any banner or poster used in connection therewith, which has not been duly approved by the board.

SEC. 17. The board may order a reëxamination of any film, or reel, approved by it, upon giving 30 days' written notice to the owner of said film or reel. At such reëxamination the board may make such order as would be proper upon the original examination.

SEC. 18. The board may, in its discretion, grant a special permit for the exhibition of a film, or reel, for purely educational, charitable or religious purpose, without fee.

SEC. 19. Any person violating any provision of this act or any rule or regulation of the board, shall be guilty of a misdemeanor, and on conviction thereof, shall be punished by a fine not exceeding \$25 for the first offense, and not less than \$100 nor more than \$500 for each succeeding offense, or by imprisonment for thirty days in the county jail. Each day an uncensored film, or reel, is exhibited shall be deemed a separate offense.

SEC. 20. Any person exhibiting in public any misbranded film, or any film carrying the official approval of the board, which approval was not put there by action of the board, or any prohibited by the ordinances of any city, or any person who shall exhibit any folders, posters, pictures or other advertising matter which has not been approved by said board, or which is indecent, profane or scandalous, or which tends to unduly excite or deceive the public, or containing any matter not therein contained when the approval was granted by the board shall, upon conviction, be deemed guilty of a misdemeanor, and punished by a fine of not more than \$50 or by imprisonment in the county jail for not over 30 days, and the said misbranded film may be seized and confiscated.

SEC. 21. That all money now in the state treasury in the fund known and designated as the moving picture censor fees are hereby appropriated for the uses and purposes of carrying out the provisions of this act; and that any unexpended balances of said fees remaining in said fund at the close of the fiscal year ending June 30, 1917, are reappropriated for the fiscal year 1918; and any unexpended balance remaining at the close of the fiscal year 1918 is hereby reappropriated for the fiscal year ending June 30, 1919.

SEC. 22. Sections 10774, 10775, 10776, 10777, 10778, 10779, 10780, and 10781 of the General Statutes of 1915 are hereby repealed.

SEC. 23. This act shall take effect and be in force from and after its publication in the official state paper.

Approved March 9, 1917.

Published in official state paper March 31, 1917.

That section 10 of chapter 308 of the Session Laws of 1917, be amended to read as follows:

SEC. 10. The governor shall designate one of said board as chairman, and such person shall be administrative head of the board, shall receive and be responsible for all moneys paid to the board. Shall give bond to the state of Kansas in the sum of \$3,000 with security to be approved by the governor, conditioned for the faithful performance of the duties. Each member of the board shall take and subscribe an oath to perform the duties thereof. The chairman of the board shall receive an annual salary of twenty-one hundred dollars, and each of the other members of the board shall receive an annual salary of eighteen hundred dollars, together with such necessary traveling expenses incurred in carrying out the provisions of this act, and the secretary of the board, to be appointed by the board, shall receive an annual salary of fifteen hundred dollars. Salaries shall be paid monthly on vouchers.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board of Review will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board of Review will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

KANSAS STATE BOARD OF REVIEW OF MOTION PICTURES.

MRS J. M. MILLER, *Chairman.*

MISS CARRIE H. SIMPSON.

MRS. B. L. SHORT

Office and Projection Room: Old City Hall, Kansas City, Kan.
Telephones: (Bell) Fairfax 953; (Home) Drexel 1398.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

The features and comedies listed are those designated by a star in the periodical reports of the Board of Review, the method of indicating pictures suitable for the family group. Not all are suitable for children. Many fine pictures are not listed because of some small objectionable feature which is not emphatic enough to condemn the picture.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board of Review will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

**KANSAS STATE BOARD OF REVIEW OF
MOTION PICTURES.**

MRS. J. M. MILLER, *Chairman.*

MISS CARRIE H. SIMPSON.

MRS. B. L. SHORT.

Office and Projection Room: Old City Hall, Kansas City, Kan.
Telephones: (Bell) Fairfax 953; (Home) Drexel 1398.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

	Eliminate all scenes of girl bathing in which more than head and shoulders appear. In second reel of this episode a theme is introduced which is very objectionable. It begins with the subtitle, "The king-ape, seeing that she did not belong to Akut, plans to take her for his mate." This title and all subsequent scenes and title bearing on the associa- tion of girl with apes, must be eliminated; also all strug- gles of girl with ape. This is very repulsive, and the slightest hint of such scenes should, in justice to the Board of Review, be reported by telegraph at once. This includes all newspaper advertising and posters. The cut for news- paper showing girl struggling with ape is condemned.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1918.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board of Review will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.

The features and comedies listed are those designated by a star in the periodical reports of the Board of Review, the method of indicating pictures suitable for the family group. Not all are suitable for children. Many fine pictures are not listed because of some small objectionable feature which is not emphatic enough to condemn the picture.

KANSAS STATE BOARD OF REVIEW OF MOTION PICTURES.

DWIGHT THACHER HARRIS, *Chairman.*

MRS. J. M. MILLER.

MRS. B. L. SHORT.

Office and Projection Room: Old City Hall, Kansas City, Kan.
Telephones: (Bell) Fairfax 0953; (Home) Drexel 1398.

TO WHOM IT MAY CONCERN.

To the Exhibitors, Colleges and Others who are Exhibiting Motion Pictures in the State of Kansas:

We wish to call your attention to the fact that some of the distributing companies are not submitting their productions to the State Board for review. Examine your films carefully before exhibiting, and see that they bear the approval tag of the STATE BOARD OF REVIEW, and if not, please notify the Board by telephone or telegraph, and action will be taken at once to see that the law is strictly enforced.

NOTICE.

It has been reported to the State Board of Review that some exhibitors in the state are running uncensored films, films in which the eliminations ordered by the Board have not been made, and films not carrying the official approval of the Board. All exhibitors are referred to sections 7, 19 and 20 of the censorship law, which will be strictly enforced.

Exhibitors and others interested in "better films" and the work of the State Board of Review who are not receiving the weekly reports, please notify the Kansas State Board of Review if they wish their names placed on the mailing list of the weekly reports.

Our list of educational and selected films suitable for family groups, children's matinees, Sunday exhibitions and educational programs can be secured by writing the State Board of Review; also, our Annual Report for 1920.

We sometimes find that our weekly bulletins are being sent to persons who, through removal, press of other duties, etc., are no longer able to use them systematically or to advantage and who have neglected to notify us promptly of this fact. Naturally, the Kansas State Board of Review desires to avoid such lack of economy; therefore, we wish to inquire to what use you are putting the bulletin and whether you desire it sent you longer.

Whether as a bulletin correspondent, exhibitor or otherwise, please be assured that the State Board of Review will be glad to hear from you at any time concerning any matter in which we might be of assistance or which should be brought to our attention.
